

New Bike Claim Form (Up to \$400)

Step 1 - Review the bike considerations

Considerations when choosing the new bike option:

- You must purchase the new bike, then provide a valid receipt for the purchase, when submitting a claim. We do not under any circumstance mail cheques directly to bike retailers. Please ensure you can afford to purchase the bike, (in advance of receiving the incentive) before choosing this option.
- Electric bikes are included in this option.
- The receipt you provide must be an original and cannot be a computer print-out. All receipts will be double-checked to ensure compliance with our program policy.

Step 2 - Scrap your vehicle. You have **30 days** to scrap your vehicle. Your incentive cheque will not be issued until your vehicle is scrapped.

- Scrap your vehicle at one of the Authorized Scrap Dealer locations (see the "INSTRUCTIONS" tab on our website) for a list of Authorized Scrap Dealer Locations.
- Bring your Approval Letter/Email and your Owner's Certificate of Insurance. (Note: It must be the original document, photocopies are not accepted. If you cannot locate this document, please stop by any Autoplan broker. You will need to purchase an original copy. A small fee will be charged for this service).
- The authorized scrap dealer will endorse your Approval Letter /Email and provide you with a copy of a completed Transfer/Tax Form. Keep these documents for your records.
- The registered owner(s) of the vehicle must be the person(s) who drop off the vehicle (Note: All registered owners must be present).
